# what teaching isn't

It is not a           Noun                     Noun                     Noun          .

It is not           Noun          

and it is never ever           Adjective          .

It is           Adjective          . Not           Adjective           but always           Adjective          

always           Noun          , always           Noun          .

Sometimes           Noun          .

It is           Adjective           and till           Adjective                     Adjective          . It is never a           Verb Base Form          ,

never a           Adjective          

it is a           Adjective                     Noun          .

it is           Adverb          

too           Adverb           and           Adjective          

never           Adjective           or           Adjective          . It           Verb Present ends in S           -- you can

          Verb Base Form           it coming

it is           Noun          

it is           Noun           and it is too           Adjective           to           Verb Base Form                     Verb Base Form           sometimes.

It is discomfort --

it is not what the           Noun           say. Only           Noun Plural           get it right

it is           Adjective          

it

is \_\_\_\_\_  
Adjective

and always, always
