Mr. President

As the presidential elections swing by I usually ignore them however this year was different, one of the candidates caught my Body part. Their name was name name. I will definitely be voting for them. Ever since they Verb Past Tense Noun Noun and made Noun about Noun Noun, I have loved them ever since. Perhaps their best quality is their Noun or maybe their Noun. They recently made an announcement that Noun Plural are gay, it really inspired the nation to Verb Base Form. I heard rumours that name name is going to take on an acting role in Infinity War! They simply are fantastic!
