## Athur's party part 2

Arthur felt a disturbance in his jeans and had to walk away. He went to the restroom, and found his acid at a very hard 9 inches. But he had to go back to his party. What was he going to do? Well he did have to return to his party, but he obviously couldn't go back with a hard-on. His \_\_\_\_\_ Adjective phone was plugged in , in his room, so if he wanted to jack off, he would have to just use his imagination.

So he sat down on the \_\_\_\_\_ Noun and started to tug on \_\_\_\_\_ Noun \_\_\_\_\_ Adjective cock. So he started singing at the top of his lungs : "I once had a good friend, and his head was made of wood." This luckily did bring George running.

George asked if Arthur was Okay. Then Arthur was like : "UM no , I have a situation in here , can you bring me some jeans and boxers out of my room, I don't even care which ones." George did what was asked of him. Then once Arthur cleaned himself up; George asked him : "Hey Arthur, why did you pick me instead of Brain or Buster

or a guy you're \_\_\_\_\_ Adjective \_\_\_\_\_ to?" Arthur replied : " Of all my options , you seemed the best. With Brain a sex ed lecture would be attached, Buster would make a joke, and Binky would be mean about it, you have always been quiet and polite, and I \_\_\_\_\_ Verb Base Form \_\_\_\_\_ you not to further embarrass me."

"Makes sense." George said then the matter was dropped. The 2 boys went downstairs. George returned to his girlfriend Fern and they started making out. And Francine and Sue Ellen approached Arthur. Francine said :

"I'll have to think about it and get back to you." Arthur replied. Then the
