Hi Karl,
I wanted to tell you two things-
1. Did you hear about the horse that walked into Equifax was the first one to see it and
said "Hey." The horse says "Sure."
2. I need new tickets. Please assign them as soon as possible because I am Adjective -
Ends in ED to get started on them
Thank you again and you smell like a wet that rolled in Food - Plural
Have a great weekend!
Karl
