My Toastmasters Meeting

This week's meeting of the _____
club name Toastmasters club on Friday at 3:00 pm was quite exciting today.

Our theme was _____
weird holiday, member was our Toastmaster with _____
Celebrity and _____
member
_____ as speakers.

The Sergeant at Arms began the meeting by using a _____
loud noise instead of a gavel, definitely getting

everyone's attention! We then recited the club mission statement: "The mission of a Toastmasters club is to

provide a _____
Adverb supportive and positive _____
Verb Present ends in ING environment in which every

individual _____
Noun has the opportunity to develop _____
Adjective communication and leadership

Verb Present ends in S, which in turn foster self- confidence and personal growth." The Toastmaster

introduced guests _____
district leader name and _____
celebrity who said they found our club by searching the

Noun. Who would have thought that would work?!

Then we went through the roles for the meeting. The timer explained that this week we'd be using a

Noun to keep track of how long everyone spoke for. The Word of the Day was _____
Adjective Ends in

EST and it was used _____
Year times. The Table Topics _____
Toastmasters designation assured us that we

were going to have a lot of _____
Adjective with these questions. The General Evaluator explained that a verbal

evaluation of the _____
Event would be coming at the end.

Our

first speaker gave a presentation about strange hobby. It was very Verb Present ends in ING and gave us all a lot to Verb Base Form about for the rest of the day. Next, we heard about Verb Present ends in ING. It was Adjective and Adjective all at the same time. We then had a rousing round of Table Topics. The theme was how to be a job and we all had a good Verb Base Form at the responses. It was most shocking when one member spoke for Number minutes on their question!!

After the evaluation team gave their thorough Adjective, the Toastmaster asked for any President's remarks. If only every week could be so Adjective!
