My Toastmasters Meeting

 This week's meeting of the ______ to astmasters club on Friday at 3:00 pm was quite exciting today.

 Our theme was _______, member was our Toastmaster with ______ and ______

 _________ as speakers.

The Sergeant at Arms began the meeting by using a <u>loud noise</u> instead of a gavel, definitely getting everyone's attention! We then recited the club mission statement: "The mission of a Toastmasters club is to individual _____ has the opportunity to develop ______ communication and leadership Verb Present ends in S , which in turn foster self- confidence and personal growth." The Toastmaster introduced guests ______ district leader name _____ and _____ who said they found our club by searching the Noun .Who would have thought that would work?! Then we went through the roles for the meeting. The timer explained that this week we'd be using a Noun to keep track of how long everyone spoke for. The Word of the Day was Adjective Ends in EST and it was used Year times. The Table Topics Toastmasters designation assured us that we

 $evaluation of the \underline{\qquad}_{Event} would be coming at the end.$

first speaker gave a presentation about <u>strange hobby</u>. It was very <u>Verb Present ends in ING</u> and gave us all a lot to <u>Verb Base Form</u> about for the rest of the day. Next, we heard about <u>Verb Present ends in ING</u>. It was <u>Adjective</u> and <u>Adjective</u> all at the same time. We then had a rousing round of Table Topics . The theme was how to be a <u>iob</u> and we all had a good <u>Verb Base Form</u> at the responses. It was most shocking when one member spoke for <u>Number</u> minutes on their question!! After the evaluation team gave their thorough <u>Adjective</u>, the Toastmaster asked for any President's remarks. If only every week could be so <u>Adjective</u> !
