Thanksgiving Day

I wake up on Thanksgiving _____time of day_____ to find that _____Adjective_____ was normal. I go downstairs and see my parents making a _____animal_____. They ask me if I can get a glass of _____beverage_____ to _____relative_____. They always come _____number_____ hours early! So I go hide in my _____place_____ until the guests show up. We all _____verb_____ thanks and _____verb_____. _____relative_____ asks me to pass the _____food_____, so I give _____number_____ to them. They say, "That's not _____Adjective_____", so I give him _____larger number_____ more!

Then we all go to the _____different room in house_____ room to realize that we missed the _____sport_____ game and the _____noun_____, so _____relative_____ turns up the _____object_____ and everyone leaves. I go to bed _____number_____ minutes later.
