How to Not Die

Not dying is a very useful skill, but most children are unaware of the process. There are 18 steps to survive, and after reading this, you'll know them too.

Step One: Being Alive

This step is considered the easiest because most people are alive already.

However, this step is also the easiest to mess up. We will cover how to not skip this step.

Step Two: Staying Alive

This step is the most difficult because there are many ways to die and very few ways to live. You need to avoid many dangers on earth, not only _____ Noun Plural _____, _____ Noun Plural _____, and _____ Noun Plural _____, but also _____ Noun Plural _____, _____ Noun Plural _____, and _____ Noun Plural _____.

Step Three: Don't be _____ Adjective _____.

If you are _____ same Adjective _____, you may be in danger. This disease is one of the top leading causes of death in _____ Noun Plural _____. If you have this disease, make sure, no matter what, to avoid _____ Noun Plural _____.

Step Four: Don't think you're _____ Adjective _____. Because you're not.

Arrogance can kill. Don't believe in yourself, you _____ insulting noun _____.

Step Five: Don't go to _____ Proper Place _____.

This place is full of danger. Rats and wild _____ Noun Plural _____ roam about. Avoid at all costs.

Step Six: Make sure you _____ Verb Base Form _____ at all times.

Not doing this leaves you defenseless to _____ Proper Noun _____.

Step Seven: Always wear ponchos.

Men may fall in love with you if you're caught in the rain. Unless you want a man, wear a poncho.

Step Eight: Avoid rain.

This is usually death foreshadowing. Plus, your outfit will be ruined. (Unless you follow step seven)

Step Nine: Don't run into dark forests.

If grandma needs her picnic basket, and your name is Red Riding Hood, avoid wolves and their charming deception.

Step Ten: Be nice to people. (IMPORTANT)

This one isn't hard. Don't be a jerk.

Step

Eleven: Avoid people you think are _____ Adjective _____.

They may be hostile. They move as mobs, wandering like zombies around _____ place plural _____.

Step Twelve: Prepare.

Become a boy scout. Everyone's allowed in, you have no excuse. Go!

Step Thirteen: Eat an apple a day.

Doctors may infect you if not kept away. An apple a day will make your skin like poison to them.

Step Fourteen: Keep an apple on you.

Eating an apple a day will ward off doctors, but throwing one will guard against anyone when thrown hard enough.

Step Fifteen: Don't enter the red brick building 37.2 miles past the Sheetz on the right.

.....

Step Sixteen: Don't, DO NOT, answer the tapping at your window no matter how She demands to be let in at night.

She will not be silenced.

Step Seventeen: Don't trust _____ Name of Person in Group _____.

They're out for you. Don't trust them, and watch your back.... **Y o u a r e f a s t b u t t h e y a r e f a s t e r**

Step Eighteen: Look both ways.

You may be hit by a car if you don't look both ways!

And with these simple eighteen steps, you will be on your way to survival and happiness in life! Without following these steps, however, you may _____ Verb Base Form _____....
