Betting on the Ponies

It was May 7th, _____^{Year}_____. Hannah and Brennan were living in _____^{Place}_____ and preparing for the Kentucky _____^{Event}_____. They invited their friends over to drink _____^{Herb}_____ _____^{Drink}_____, place some bets, and watch the races. The ladies were dressed to the nines in _____^{Article of Clothing}_____ and _____^{Adjective}_____ hats, while the gentlemen were sporting _____^{Adjective}_____ pants and _____^{Adjective}_____ _____^{Article of Clothing}_____. As the _____^{Adjective}_____ race approached Brennan places a \$_____^{Number}_____ Superfecta bet on Niquist, Exaggerator, _____^{Adjective}_____ Runner, and Mohaymen - and he hit! With \$_____^{Number}_____ now in his pocket, Hannah exclaimed, "We're going out and _____^{Noun Plural}_____ are on Brennan!" The group ended up at a local restaurant and bar, _____^{Restaurant}_____, where Brennan discovered he doesn't like _____^{Food}_____ in his _____^{Drink}_____. Ever since that day, Hannah and Brennan frequently find themselves betting on the _____^{Animal - Plural}_____.
