# WSD Vision Statement

In a Twenty-First Century learning \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_, it is the intention of the \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ School District to promote a culture in which students construct meaning through \_\_\_\_\_<sup>Verb Present ends in ING</sup>\_\_\_\_\_. \_\_\_\_\_<sup>Noun Plural</sup>\_\_\_\_\_ will be given the opportunity to engage in purposeful and authentic \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ challenges that require them to apply their learning in cross-disciplinary and \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ ways. In our efforts to prepare students to be both career and college ready, we will provide problem-based learning opportunities in \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ learning environments that require them to think \_\_\_\_\_<sup>Adverb</sup>\_\_\_\_\_ and \_\_\_\_\_<sup>Adverb</sup>\_\_\_\_\_ and collaborate with \_\_\_\_\_<sup>Noun Plural</sup>\_\_\_\_\_ from the school community and well beyond.
