WSD Vision Statement

In a Twenty-First Century learning _____^{Noun}_____, it is the intention of the _____^{Noun}____ School District to promote a culture in which students construct meaning through _____^{Verb Present ends in ING}_____. _____^{Noun Plural}_____ will be given the opportunity to engage in purposeful and authentic _____^{Adjective}_____ challenges that require them to apply their learning in cross-disciplinary and _____^{Adjective}_____ ways. In our efforts to prepare students to be both career and college ready, we will provide problem-based learning opportunities in _____^{Adjective}_____ learning environments that require them to think _____^{Adverb}_____ and _____^{Adverb}_____ and collaborate with _____^{Noun Plural}_____ from the school community and well beyond.
