It's Inside Me

There's a Adjective Noun inside me. I barely remember how it got there. The last thing I remembered was I was Verb Present ends in ING into a Noun, and this Repeat Last Adjective Noun Verb Present ends in S into the bathroom and yells, "Exclamation!" Then he makes a Onomatopoeia noise, and Verb Present ends in S it's way up my Part of Body.

I visited my local Noun, but he only told me to leave when I started Verb Present ends in ING on top of him. He wanted to Verb Base Form me right there. I'm at Noun right now, and my Animal is coming Repeat Last Noun soon.

What do I do? I don't want to look like a Noun.
