BB Guns and Urethras: The Tragic Story of Agent S

Training Report #: 6-22-DCFC-19
Subject: Agent S (Codename) BB Accident
Location: [REDACTED]
Trainer: Agent N.
On [REDACTED] a was taking place on location [REDACTED]. The subject of the
was the correct use of BB guns.
However, by unknown reasons Agent S ended up injured and with a BB pellet located inside or
his Urethra.
After the was taken to the E.R Ward in [REDACTED] Agent N, the trainer, was questioned on
her participation on this event, or more, her lack of supervision during this event.
Verb Present ends in ING to Agent N, she had had several training sessions with Agent S before, so when she
explained the basics she took the rest of the lesson to have a quick nap, because, according to her, "She still
needed her beauty".

This

kind of is not tolerated withing The Organization, so until further notice Agent N has been
suspended from active service.
Her new assignment -which is also her punishment- is to take care of Agent S recuperation bothAdverb
and as his old organ was too damaged as a result of the BB pellet. A new prosthetic "organ"
created by [REDACTED] and made according to Agent S requests has been made and will be attached to Agent
S as soon as it arrives to location [REDACTED].
As of the date of this report, Agent N is stilleven if she insists she isn't- and she won't take
part of any Noun Plural until Agent B or anyone further up in The Organization gives her
clearance to do so.
No more words are to be said after this event.
Report filed on date [REDACTED]
