# When I grow up

When I get older I want to be a           Proper Noun          . It would be really fun! I would work from           Number           o'clock to           Number           o'clock and I would use a computer everyday. I would also have           Number                     Noun Plural           in my office.

After work I would go home,           Verb Base Form           dinner, and brush my           Noun          . I would also have a           Adjective           pet           Noun           to take care of. I will take it for walks and feed it many           Noun          .

I could also           Verb Base Form           all of the games I want. I could play Splatoon for more than           Number           hours. I would even play it in the           Place          .

I want to be older soon!
