Are you afraid of the dark part two

Hi, its First Name of a Person again and do you think First Name of a Person dream was a Adjective

wait till you hear about my dream now on to the story. It all started on a Friday night but this time Dymond was having a sleepover this time we talked about my scariest dream was about an evil Squidward from a Adjective lost episode from Spongebob square pants its called Sqidwards curse and I was at the mall and I and First Name of a Person went to the mall also he was there and it was at midnight! nobody was there at the time and it was dark but not that dark also he started chasing us there were dead people everywhere! and we thought about his weakness while Verb Present ends in ING and that's it ice cream the thing that all people love most so we were in an ice cream shop and we thew ice cream at First Name of a Person and he fell to the ground the end.
