The Inventing Room

The Inventing Room is Wonka's favorite and most Adjective room. It holds all of his
examples being the Everlasting, toffee, and the Course
Dinner Chewing Noun Noun
The room is a gigantic filled with machines that create, most, most, adverb
the machine. Above the room is a giant that allows the Oompa-Loompas to
atop the machines, accessing the controls of many and the room as a whole.
The Inventing Room plays a role in role in 's downfall, as this is where she falls
victim to the course Dinner verb ends in ING Noun, which turns her into a
Adjective Fruit
