Food diaries

When stuck at home, the most consistent thing in my life has been food. So much so that I thought it'd be interesting to document my week.

| Day 1: Cleaned out leftovers in the fridge containers of [], something that's |
|--|
| marked with []. and something [Adjective - ends in Y] and []-colord |
| Day 2: Went to the [] store and bought [] barrels of [] sweet |
| treat plural] and forgot to get [Food you cant live without] |
| Day 3: Tried to cook a [Comfort food dish] in the microwave. It took [] rounds of nuking |
| and [] out of 10 would not recommend. |
| Day 4: Felt inspired as I scrolled through the social media hashtag #quarantinecooking and imagined myself |
| mastering the art of [] while juggling [] |
| Day 5: Discovered that eating the same food 5 days straight is in fact, [|
| Day 6: Found a dried [|
| Day 7: Didn't realize that I would be attracted to the smell of []. It made me feel the sweet, sweet |
| emotion of [] and I can't get enough. Makes me want to eat [|

Looking forward to a [_____] week to come!
