# Superhero Short Story

It was a day like no other in Trenton. The time was 7:35 a.m., the time that most Noun Plural would Verb Base Form at work. Every job is Adjective, so if there were a disruption in progress, life would not be able to function.

Almost every business in Trenton had everyone come to work except for the Proper Noun.

Proper Noun was missing its packager, Sam. He oversaw sending the gourmet Food to people ordering from their homes. Out of all the days that Sam was not at work, it was International Food Day.

Thousands of Noun Plural were ordering from the Proper Noun because it was presented as the best of all the Proper Noun Plural on TripAdvisor.

"Where is Sam?! We need him to ship the Food to people!" Joe, the boss of the Proper Noun, exclaimed. He called Sam on his Noun, almost breaking the screen because of how fast he typed.

Meanwhile, Sam Adverb lounged at his apartment watching An Animal Capitalized War. As Thanos was about to snap someone away, he got a call on his phone.

"Hello?" Sam said.

"Sam, why are you not at work? Today is International Food Day, and you are at home watching

An Animal Capitalized War!" Joe screamed into his phone, which made a Noun cry in the

background. "Listen, just come to work and Verb Base Form as much as you can! I am outside of your apartment in my truck."

Sam exited out of his apartment, still in his Article of Clothing, and rode with Joe in his truck. They crashed into

the back of the Proper Noun because they were in a hurry. Sam Adverb packaged the Food and put them into the Noun. Just like Food, the \_\_\_\_\_

Golgi body stores and ships, along with producing Noun Plural.

When they were all packed, Sam realized that he had an order from Location! He had to use a Noun to launch himself from Location to Location. As he was flying in the air, Sam quickly fought Thanos because Thanos thought he had the Infinity Gauntlet. Sam won, and successfully crashed into the Noun that was waiting for their Food.

"Oh, Sam! You are my hero!" The customer cheered, paying Sam for his gracious efforts. Peace was then returned to the USA. The end.
