today

today I woke up just like any other day the only difference was that today, I was a girl. As I recall yesterday I was a Noun a fully grown Noun as a matter of fact. But sadly today I am a girl, a Adjective Adjective little girl, with no care in the world. I have been Verb ending in ing all day why I am this Adjective Noun . and tomorrow I am afraid that I will still be a girl. well today I can still be happy about the notion that I can change my life as I please. and tomorrow is a mystery and is some what Verb for I do not know if I will change back.

so now the day has moved further on and I have noticed I never was a girl at all. it was a dream I am still a Noun . thank Proper noun .
