Lemon boy

There once was a Adjective man they called lemon boy he was growing in my garden so I pulled him out by his hair like a weed. And like weeds do he only came and grew back again so I figured at this time around I'd just let him be~ Lemon boy and I started to get along together I helped him plant his seeds and we mowed the lawn in bad weather it's actually pretty easy being nice to a bitter boy like him so I've got myself a citrus friend I found out my friends were more the savory type and they wouldn't go for a nice Lemon pie Lemon boy and I just gotta get along together~ I helped him plant his seeds and we mowed the lawn in bad weather~ but what if Lemon boy won't grow any longer what if the clouds run out of rain what I run out of fertilizer? what if beaches dry of sugar cane!? Ohh well~ whales start to beach themselves tortuous start to break their spines lemon boy and me we're gonna live forever~ Lemon boy and I we'll get around wherever I help him plant his seeds and we mow the lawn in bad weather it's actually pretty easy being nice to a bitter boy like him so I got myself a citrus friend we're Adjective Ends in EST guys around yeah we're the Adjective Ends in EST guys around and I've got my self a citrus friend
