3. Noun Plural

A Day at the Rainbow Zoo

At the _____ Proper Noun Zoo there are aardvarks, elephants, pink flamingos, and Marvelously Mischievous Monkeys. One day the monkeys got out of their enclosure using only a toothpick that was left by the absent minded zoo keeper _____ Proper Noun. The first thing they did was get _____ Noun Plural cream at the concession stand, and proceeded to dance like crazy. Then they went to the zookeeper Mrs. Haartz's office to play an exciting game of Monopolu The monkeys decided to throw a raging party. To get ready they had to decorate the zoo so they grabbed balloons, tulip, and ice cubes. Now that the zoo was properly decorated the monkeys threw on some quick tunes to get the party started. By the end of the night the monkeys were so tired they ran back to their enclosure for bedtime.
