Hi there, say hello without being extra

Let's start, without introductions

No touching, back off back off

I like it like this \_\_\_\_\_  
Noun, \_\_\_\_\_  
Repeat Last Noun

It's me, it's me nothing different

What are they \_\_\_\_\_  
Verb Present ends in ING about me these days?

The searching light scanner, scanner

What's my score today? \_\_\_\_\_  
Adjective, \_\_\_\_\_  
Adjective

"Why does she like that kind of outfit?"

What's that blank face she's making?

Maybe it's because of \_\_\_\_\_

I'm worried about her

If

you cross this line, it's a           Noun          ,           Noise          

Keeping manners stop here, it's mi-mi-mi-mine

Please keep the li-li-li-line

[Post-Chorus]

Hello stu-P-I-D

If you cross that line, I'll get serious,           Noise          

Stop it, keep the distance

Cause we don't know, know, know, know

Comma, we don't owe, owe, owe, owe

(Anyth-anything)

I don't care what your secret is

All of your stories

Let me politely decline, not my business

I like it like this           Repeat Last Verb Base Form          ,           Verb Base Form           less

Still

me, still me, no need to be surprised

I'm sure you're gonna say "my gosh"

Your eyes getting busy, check-checking

Like playing spot the difference, oh \_\_\_\_\_ Noun

She's walking so straight, she might trip and fall

Wonder if she knows everyone's whispering about her

I think she's hanging out with that person everyone's talking about

She has problems

Let me do this comfortably

Hey you, do you understand what I'm saying?Huh?

I don't believe it

I'm sure you still don't know

Am I wrong? Am I the bad guy again? Huh?

I don't believe it

Turn on your signal lights, you have no class, knock, knock, knock, knock

'Nough, I won't deal with you anymore, block, block, block, block, block

If you don't know, start memorizing this babe

Repeat, repeat, so easy, right?
