Macalester Monster Survival story

It's a [_____ Adjective _____] kind of morning and team [TeamName] has to make it to their [Number]AM class in OLRI. In order to [adverb] make it to class they must [verb] the [adjective] cold. They start from [MacalesterDormBuilding] and [verb] through the [noun] trying not to freeze their [body part plural] off. While they're [verb ending in ing] they suddenly realize that they aren't alone. They look behind them and see a [size][color] figure [adverb] approaching them. In their [emotion] they [verb] to the Humanities Building and run up the stairs to get away from the [adjective] monster. They run through the halls as [adjective] as they can, but the monster still gets close to them. In an attempt to slow the monster down [teammembername] pulls a [itemfromearlieractivity] and [verb]s it at them. This [verb ending in ed] the monster considerably. Team [Teamname} found some stairs that lead down and they [adverb] went down them. They went out a door and were [adjectiveendingined] to notice that they were in OLRI. They thought they were safe until they heard the door [verb]. [different team member] [adverb] pulled out their [different item from earlier activity] and prepared to throw it at the [adjective] monster, but when the door opened there was no monster to be seen. It was Mac the Scot all along!
