The Pink Journey

There once was a Adjective girl named Amy. She thought her annual doctor's visit was [adjective].

However, when she went in 2010, and heard the news, she said [exclamation]! How can that be? Her life became more [adjective] than she ever could imagine. Her life became a sea of [plural noun] and many new [color] friends entered her world, especially [name]. 10 Years later, she still loves to [verb] and celebrate on Jan 10.
