The Raven

Once upon a Noun dreary, while I Verb Past Tense , weak and Adjective ,

Over many a Adjective and curious volume of forgotten Noun

While I nodded, nearly Verb Present ends in ING , suddenly there came a tapping,

As of some one gently Verb Present ends in ING , rapping at my chamber door.

"'Tis some visitor," I muttered, "tapping at my chamber Noun

Only this and nothing more."

Ah, distinctly I remember it was in the bleak Proper Noun ;

And each separate dying Noun wrought its ghost upon the Place In Room .

 Adverb I wished the morrow;--vainly I had sought to borrow

From my Noun Plural surcease of sorrow--sorrow for the Adjective Lenore--

For the rare and radiant Noun whom the Noun Plural name Lenore--

Nameless here for evermore.
