# The canceled party

Once upon a time in a land far far away there \_\_\_\_\_ a \_\_\_\_\_ princess named nala. She loved to \_\_\_\_\_ all day in the \_\_\_\_\_ around her castle with her unicorn friend princess \_\_\_\_\_ rose. She also liked to \_\_\_\_\_ the story's in her library and \_\_\_\_\_ all day in the castle. One day princess nala found out that she was going to be a \_\_\_\_\_ sister and a \_\_\_\_\_ princess would be born. She was happy but a little \_\_\_\_\_. She was worried that the new princess would be loved by all the towns \_\_\_\_\_ more. So she hatched a plan to become the most loved \_\_\_\_\_ in all the realm. First she would throw a \_\_\_\_\_ and open the \_\_\_\_\_ to everyone. The \_\_\_\_\_ would be grand. Princess nala just knew if this \_\_\_\_\_ went \_\_\_\_\_ then it's all anyone would \_\_\_\_\_ after the new princess was \_\_\_\_\_. Alas she set out with her royal \_\_\_\_\_ and \_\_\_\_\_ to \_\_\_\_\_ the most \_\_\_\_\_ and \_\_\_\_\_ of all time. The day came and the castle doors \_\_\_\_\_ but a \_\_\_\_\_ cloud loomed over the whole \_\_\_\_\_. The rain began to \_\_\_\_\_ and the thunder boomed threw the \_\_\_\_\_ as lightning lit up the \_\_\_\_\_. Princess nala was \_\_\_\_\_ of \_\_\_\_\_ and more scared that the \_\_\_\_\_ would not happen. She \_\_\_\_\_ out of the castle to find her \_\_\_\_\_ friend. Princess \_\_\_\_\_ rose she cried as the rain came down harder. This party has to be \_\_\_\_\_ and \_\_\_\_\_ she cried I don't know what to do. Princess butterapple rose being wise in her years sat down with princess nala and asked. Would it really be that \_\_\_\_\_ to have two \_\_\_\_\_ in one castle? I mean you being the oldest can \_\_\_\_\_ the new princess all the \_\_\_\_\_

things about being a           Noun          . Sure at times she will get more           Noun           but never more  
          Noun          . It's the law of the           Noun           that no one princess can have more           Noun           shown upon  
them than the princess there before there           Adjective           arrival. At that princess nala pauses and  
          Verb Base Form           about all the love she had from the Townes           Noun           who           Adjective           her just  
as she was. She knew no one not even a new           Adjective                     Noun           could change that. She canceled  
the           Noun           and went           Noun           happy to meet the new little princess. For just as her           Noun            
had said she had a lot to           Verb Base Form           her. The end!
