## My Weekday Morning

This morning, I woke up and brushed my (adj) \_\_\_\_\_ teeth. I (adv) \_\_\_\_\_ ate a yummy breakfast and then left for school. The bus was (adj) \_\_\_\_\_, and of course the bus driver was not happy about that. She (adv) \_\_\_\_\_ yelled at us and threatened to pull the bus over.

When we finally got to school, I went to my (adj) \_\_\_\_\_ locker and got my books. I was almost late to my first period class so I had to run, but I made it just in time. I could (adv) \_\_\_\_\_ keep my tired eyes open in class. I struggled through the next four (adj) \_\_\_\_\_ classes and finally made it to lunch.

At lunch I (adv) \_\_\_\_\_ sat next to my friends at our lunch table and told them about my (adj) \_\_\_\_\_ day. They (adv) \_\_\_\_\_ listened while they ate their (adj) \_\_\_\_\_ lunches.

The bell rang and it was off to (adj) \_\_\_\_\_ class, which I loved! During this class I (adv) \_\_\_\_\_ try my best.
