# A Trip to the Grocery Store

I hate going to \_\_\_\_\_; it's way too \_\_\_\_\_ and there are always tons of \_\_\_\_\_  
\_\_\_\_\_ and letting their \_\_\_\_\_  
\_\_\_\_\_ the aisles. Unfortunately, today when I looked in my \_\_\_\_\_  
I realized I was out of \_\_\_\_\_. So, I got my \_\_\_\_\_ and \_\_\_\_\_  
all the way there. It was \_\_\_\_\_ outside, and the \_\_\_\_\_ were \_\_\_\_\_, so there  
wasn't much traffic. When I walked inside, I was \_\_\_\_\_ to see it was a lot \_\_\_\_\_  
\_\_\_\_\_ than outside. I \_\_\_\_\_ my \_\_\_\_\_ and got ready to spend hours  
\_\_\_\_\_ around, searching through the \_\_\_\_\_ . There  
were a lot of \_\_\_\_\_ which I had never seen before; \_\_\_\_\_ -brand \_\_\_\_\_,  
\_\_\_\_\_ , and some kind of \_\_\_\_\_ that  
claimed to \_\_\_\_\_ the user's \_\_\_\_\_. Finally, I managed to find everything I  
needed to : \_\_\_\_\_, \_\_\_\_\_, and a \_\_\_\_\_ of \_\_\_\_\_  
\_\_\_\_\_. I walked over to the checkout, but the \_\_\_\_\_ were all super \_\_\_\_\_. Finally,  
after almost \_\_\_\_\_, it was my turn. The \_\_\_\_\_ who was  
\_\_\_\_\_ there wore a \_\_\_\_\_ and had a name tag  
that said "Hello, my name is \_\_\_\_\_." They started to \_\_\_\_\_ my \_\_\_\_\_  
\_\_\_\_\_ very \_\_\_\_\_. I was \_\_\_\_\_ to see that the price came out to \_\_\_\_\_.  
\_\_\_\_\_ ! I \_\_\_\_\_ and then \_\_\_\_\_, but as I  
\_\_\_\_\_

, the           Noun           started to           Transitive Verb - Base Form          ! The           Noun Plural                     Intransitive Verb - Past Tense           all over the           Noun          . "          Exclamation          !" I yelled, getting some           Adjective           looks from nearby           Noun Plural          . I managed to           Transitive Verb - Base Form           all the           Noun Plural          , but it was a very           Adjective           process. Finally I left. Thankfully, I           Transitive Verb - Past Tense           so many           Noun Plural           that I won't have to           Transitive Verb - Base Form                     Place           ever again. Until I run out of           Noun Plural          , that is. . .
