It was a dark and \_\_\_\_\_ night. The two sat at a long banquet \_\_\_\_\_. The \_\_\_\_\_ moved in the wind. Outside, \_\_\_\_\_ reached out toward the horizon.

\_\_\_\_\_ held a glass of \_\_\_\_\_ to \_\_\_\_\_ lips. \_\_\_\_\_ reflected the light. They were \_\_\_\_\_.

"I'm sorry that the storm has \_\_\_\_\_ your progress," \_\_\_\_\_ said, "but you're welcome to \_\_\_\_\_ here as long as you need."

\_\_\_\_\_ thanks. \_\_\_\_\_ was grateful for the \_\_\_\_\_. Not many would open their \_\_\_\_\_ for a stranger in the rain. \_\_\_\_\_ had done much more than that. \_\_\_\_\_ given \_\_\_\_\_ and a bed for the night.

Somehow, though, \_\_\_\_\_ hospitality was \_\_\_\_\_. \_\_\_\_\_ spoke kindly, but there seemed to be no \_\_\_\_\_ in \_\_\_\_\_ words. It was as though \_\_\_\_\_ were \_\_\_\_\_ a part in a play \_\_\_\_\_ had already \_\_\_\_\_ a thousand times.

"If you aren't \_\_\_\_\_  
Adjective\_\_\_\_\_, I can show you to your room

"No, no. I'm sorry. It's \_\_\_\_\_

\_\_\_\_\_  
(Fave #2)\_\_\_\_\_ had put \_\_\_\_\_
