## 2nd Grade

We are history makers! Our class is the first generation of 2nd grade students to go to school live on the internet.

We have classmates from all over the Noun! Our teacher, Mrs. Full Name of a Person, is Adjective, Adjective, and Adjective. She tries to trick us during our morning meeting when she moves the counters. Every day we log into Zoom for our class. We go over the Noun and the Noun during our morning meeting. Then, we get to Verb Base Form phonics games on Blooket. It is the most fun part of the day. After recess, we listen to Mrs. Larsen read a book. Sometimes she asks questions about it. Sometimes the books are Adverb and sometimes they are Adverb. After reading groups, we go to lunch and recess. After lunch, we have math. Lately, we've been working on telling time on an analog clock. It's tough work but we're doing great! After math groups we work on integrated assignments. Our last unit in integrated is about healthy living. We've made some pretty Adjective Adjective Noun Plural for our assignments. When our integrated lesson is over we work on our assignment independently until time for our last recess break. After recess we go to our specials classes online. They're fun but not as fun as Mrs. Full Name of a Person class.
