# My favourite drink and how I learned to be happy

Once upon a time there was a huge \_\_\_\_\_<sup>Food</sup>\_\_\_\_\_ filled with \_\_\_\_\_<sup>Food</sup>\_\_\_\_\_ and then I got distressed and ran away for a long time until I saw a doctor. Concerned with the \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ look on my face he gave me \_\_\_\_\_<sup>A number larger than ten</sup>\_\_\_\_\_ huge pills and said, "Hey, take these and that \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ look will last for \_\_\_\_\_<sup>A number larger than ten</sup>\_\_\_\_\_ days and meet me in the back parking lot at \_\_\_\_\_<sup>Time</sup>\_\_\_\_\_ am."; So I told him "I mean, I guess that could be okay, you seem like a super guy."; Perplexed, I looked at my hand, I had a bunch of \_\_\_\_\_<sup>Fun color</sup>\_\_\_\_\_ pills in the shape of a circle with a stamp of \_\_\_\_\_<sup>A celebrity or super hero</sup>\_\_\_\_\_ on them. I took one of them and then I went out and everything looked awesome. I went into a clothes store and rubbed against every thing I could find, it was super cool awesome number one. I eventually took a nap and woke up just in time to meet the doctor again. Turns out he was a \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ drug dealer and I was now his hooker. We did ecstasy every day forever until I became \_\_\_\_\_<sup>Other celebrity</sup>\_\_\_\_\_.
