You Belong With Me

1. Noun	
---------	--

You Belong With Me

You're on the phone with your girlfriend, she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do
I'm in the room, it's a typical Tuesday night
I'm listening to the kind of music she doesn't like
And she'll never know your story like I do
But she wears short
I wear T-shirts
She's Cheer, and I'm on the bleachers
Dreaming about the day when you wake and find
That what you're looking for has been here the whole time
If you could see that I'm the one
Who understands you
Been here all along
So, why can't you see?

You

what you're looking for has been here the whole time
If you could see that I'm the one
Who understands you
Been here all along
So, why can't you see?
You belong with me
Standing by and waiting at your
All this time how could you not know, baby?
You belong with me
You belong with me
Oh, I remember you driving to my house
In the middle of the night
I'm the one who makes you laugh
When you know you're 'bout to cry
And I know your favorite songs
And you tell me 'bout your dreams

Think

I know where you belong
Think I know it's with me
Can't you see that I'm the one
Who understands you?
Been here all along
So, why can't you see?
You belong with me
Standing by and waiting at your backdoor
All this time how could you not know, baby?
You belong with me
You belong with me
You belong with me
Have you ever thought just maybe
You belong with me?
You belong with me
