The Terrible Trial of the FCE

The day had come, and they expected it to be [_____ Adjective _____]. They had prepared by [_____ Verb Present ends _____] ending in -ing] lots of [_____ Noun Plural _____] But when they sat down in the classroom, they realized something: [name of a male student] had forgotten their [noun]! Not just that, [name of a female student] had left her [adjective] [noun] at [place], and she couldn't do the exam without it! [Adverb], the teacher came up with a plan: [a bizarre plan]. Of course, this didn't work. So it was up to [a student's name]. They [adverb] found a way to use a [small everyday object noun] to cause a giant explosion. And the test was cancelled for the day.
