# First Date

When Lily met James it was not love at first sight. She thought he was an arrogant Part of Body rag and a bit of a Adjective. This did not deter James. He continued to chase after Lily and in his Number year at Hogwarts he finally scored his first date. The date took place at Location, where James treated Lily to Food and Drink. They talked about quidditch and Lily told him all about growing up in a muggle home Magical creature.
