Dragon Escape

And then at last, by the combined force of their spells and the brute strength, they had
blasted their way out of the passage into the hallway hallway and
Noun Plural shrieked and Verb Past Tense for cover, and finally the Same animal as #1 had
room to stretch its wings. Turning its Adjective- ending in ed head toward the cool outside air it could smell
beyond the entrance, it took off, and with,
still clinging to its back, it forced its way through the metal doors, leaving them
Adjective- ending in ed and hanging from their hinges, as it staggered into Alley and
launched itself into the sky.
