# Avani the greats mad lib

You are the commander of a \_\_\_\_\_ Noun \_\_\_\_\_ Noun force tasked with \_\_\_\_\_ Verb Present ends in ING a  
\_\_\_\_\_ Verb Present ends in ING human colony on the edge of known space. You are proud of what you and your  
\_\_\_\_\_ Noun have accomplished so far. The planetary \_\_\_\_\_ Verb Present ends in ING alone has turned this colony  
into an impenetrable \_\_\_\_\_ Noun. When reports arise that a strange illness has struck the colony which causes  
the \_\_\_\_\_ Noun to come back to life, you think that it is some sort of joke. However, when you see it for  
yourself, you know that a type of contagion must have gone past the bio \_\_\_\_\_ Noun and caused what can  
only be described as a zombie plague. As you prepare your team for \_\_\_\_\_ Noun, one of your officers tells  
you that the remote switch for the planetary \_\_\_\_\_ Verb Present ends in ING is not functional. You and your  
\_\_\_\_\_ Noun will have to fight your way to the shield \_\_\_\_\_ Noun and switch it off before \_\_\_\_\_ Noun  
can escape.
