# Lover's Lane

A teenage couple is in a deserted           noun possessive           lane, making out in their           Noun          . After a short while, the radio stops to announce alarming news that a           Adjective           serial killer just escaped from the           location          . People are asked to report to the police if they see a strange looking man with a hook on the           body part          .

The girl is frightened and requests the           Noun           to rush home immediately. The boy initially disagrees and tries hard to convince his date to           Verb Base Form          , but eventually, they both head back.

When they arrive at the girl's house, she gets down and tries to close the           Adjective                     Noun           but it won't close. She           verb present tense plural modifying a noun           as she sees a hook suspending from the           Noun          .
