The Dead Hand

In a small village, no one ventures at night for fear of the creatures that lurk in the
Noun Plural . "Long First Name " Last Name wants to prove to everyone in his village that
the supposedly "cursed" outside of town is as safe as can be. Despite his mother's pleas, he
journeys into the night with only a to light his way. Some follow far behind
just to make sure they really have something to be afraid of. When comes upon his willow tree
destination, nothing happens initially, but then the Noun blows his lantern out. When the Noun
comes out from behind the clouds, can be seen fighting the shadows before it goes pitch
again. When the peeks through again, Person Possessive hanging from the
tree by one and what looks like a Adjective body part pulling on his other until
he's from the tree and dragged into the dark. He isn't seen again till the next night,
and mumbling under the willow tree with only one
