The \_\_\_\_\_ of sirens interrupted my day

\_\_\_\_\_ and blue lights flashed behind me to say

Pull the \_\_\_\_\_ over you're breaking the law

\_\_\_\_\_ clicks over my radar gun saw

So I veered towards the shoulder and turned off the \_\_\_\_\_.

\_\_\_\_\_ towards me was officer \_\_\_\_\_

-ar With \_\_\_\_\_ arms he gestured instructions that stated

\_\_\_\_\_ down your window I'm infuriated.

Gimme your license his \_\_\_\_\_ voice shouted

Of course, I replied, never leave \_\_\_\_\_ without it

\_\_\_\_\_ as well the officer sneered. Badge number first

I said \_\_\_\_\_ my beard. Are you aware, the officer asked, of

how fast you were going?

\_\_\_\_\_ 's broken, there's no way of knowing.

Thusly I said, to which he responded. \_\_\_\_\_! Take your ticket!

Then I \_\_\_\_\_ and absconded.
