# It's the Great Pumpkin Charlie Brown

Each year, the Great \_\_\_\_\_<sup>Noun</sup> rises out of the \_\_\_\_\_<sup>Noun</sup> patch that \_\_\_\_\_<sup>Pronoun</sup> thinks is the most  
\_\_\_\_\_<sup>Adverb</sup>. \_\_\_\_\_<sup>Pronoun</sup> gotta \_\_\_\_\_<sup>Verb Base Form</sup> this one. \_\_\_\_\_<sup>Pronoun</sup> got to. I don't see how a  
\_\_\_\_\_<sup>Noun</sup> patch can be more \_\_\_\_\_<sup>Adverb</sup> than this one. You can \_\_\_\_\_<sup>Verb Base Form</sup> around and  
there's not a sign of hypocrisy. \_\_\_\_\_<sup>Adverb</sup> but sincerity as \_\_\_\_\_<sup>Adverb</sup> as the eye can see.
