## DEAR ABBY 3

DEAR ABBY: My husband \_\_\_\_\_  
verb past tense modifying a noun\_\_\_\_\_ away two years ago. I hope you can give me some  
advice on how to deal with my \_\_\_\_\_  
whatever year old\_\_\_\_\_ daughter who never left \_\_\_\_\_  
Noun\_\_\_\_\_. We generally get  
along well. She does freelance \_\_\_\_\_  
Noun\_\_\_\_\_, but doesn't earn much. She contributes only \$ \_\_\_\_\_  
number\_\_\_\_\_ a  
\_\_\_\_\_  
time period like month\_\_\_\_\_. Also, she has a \_\_\_\_\_  
Noun\_\_\_\_\_ phobia, so she doesn't \_\_\_\_\_  
Verb Base Form\_\_\_\_\_. She  
expects me to drive her to various \_\_\_\_\_  
Noun Plural\_\_\_\_\_.

She only has \_\_\_\_\_  
Adjective\_\_\_\_\_ friends. She wants to travel, but doesn't want to go alone and keeps pushing me to  
go with her, although I don't really want to. I have suggested group \_\_\_\_\_  
Noun Plural\_\_\_\_\_, but she hesitates to go by  
herself. I feel pressured to keep \_\_\_\_\_  
Noun\_\_\_\_\_ and go along with her desires. How should I handle this? --

### PULLING BACK IN NEVADA

DEAR PULLING BACK: You have protected and \_\_\_\_\_  
verb past tenses modifying a noun\_\_\_\_\_ your daughter far too long.  
Tell her that her dependence on \_\_\_\_\_  
Noun\_\_\_\_\_ has become too much. She must overcome her \_\_\_\_\_  
Noun\_\_\_\_\_ phobia (or at least take advantage of public \_\_\_\_\_  
Noun\_\_\_\_\_) and her fear of \_\_\_\_\_  
Verb Present ends in ING\_\_\_\_\_. Without  
you. Unless you have provided for her financially in the event of your death, how do you think she will survive  
living as a \_\_\_\_\_  
Adjective\_\_\_\_\_ \_\_\_\_\_  
nickname\_\_\_\_\_ with no employment and life skills?

There are \_\_\_\_\_  
job title plural\_\_\_\_\_ who specialize in ridding people of \_\_\_\_\_  
Noun Plural\_\_\_\_\_. While she's there, your  
daughter

should also get help to gain a degree of \_\_\_\_\_concept\_\_\_\_\_, even if it's about 30 years late.

DEAR ABBY: Recently, my three adult \_\_\_\_\_Noun Plural\_\_\_\_\_ chipped in to send their aunt \_\_\_\_\_Noun\_\_\_\_\_ for her birthday. She's \_\_\_\_\_number\_\_\_\_\_ and doesn't need anything; she doesn't even go out. Financially, she's in \_\_\_\_\_Adjective\_\_\_\_\_ shape. They placed the order, and it came to \$\_\_\_\_\_number\_\_\_\_\_. Well, Abby, my \_\_\_\_\_Adjective\_\_\_\_\_ mom went crazy! She thought that was too little to spend on their \_\_\_\_\_Noun\_\_\_\_\_.

I think my kids were very \_\_\_\_\_Adjective\_\_\_\_\_. They are all trying to build their \_\_\_\_\_Noun Plural\_\_\_\_\_. One has two kids, a \_\_\_\_\_Noun\_\_\_\_\_ and a mortgage. The other just got engaged and is saving for the \_\_\_\_\_event\_\_\_\_\_. The third is saving for her \_\_\_\_\_Noun\_\_\_\_\_. My mother thinks her grandchildren should give her \_\_\_\_\_Noun Plural\_\_\_\_\_ and money. I think she should expect \_\_\_\_\_Noun\_\_\_\_\_ from her own \_\_\_\_\_Noun Plural\_\_\_\_\_, not the \_\_\_\_\_Noun Plural\_\_\_\_\_. I hung up on her when she attacked my \_\_\_\_\_Noun Plural\_\_\_\_\_. She always thinks she's \_\_\_\_\_Adjective\_\_\_\_\_. Your thoughts? -- LIVING WITH A DIFFICULT MOM

DEAR LIVING: Was Auntie satisfied with the meal? Your mother may think she is always right, but she was wrong to criticize the amount your children spent on \_\_\_\_\_Noun\_\_\_\_\_ for their \_\_\_\_\_Noun\_\_\_\_\_. That she would then announce she expects \_\_\_\_\_Noun Plural\_\_\_\_\_ and money from them is beyond \_\_\_\_\_Adjective\_\_\_\_\_. The decision about what to give is up to the \_\_\_\_\_title\_\_\_\_\_, not the recipient.

DEAR

ABBY: My sister passed away from \_\_\_\_\_<sup>body part</sup> \_\_\_\_\_<sup>disease</sup> 10 months ago. My brother-in-law no longer wants to live in the house they shared because of too many \_\_\_\_\_<sup>Noun Plural</sup>, so he's giving the house to his daughter and moving into an \_\_\_\_\_<sup>location</sup>. My other sister wants to throw him a housewarming party. Is that appropriate? -- WELL-MEANING IN THE EAST

DEAR WELL-MEANING: Of course it is, as long as it's OK with your \_\_\_\_\_<sup>Noun</sup>. It's not only appropriate, it is a \_\_\_\_\_<sup>Adjective</sup>, \_\_\_\_\_<sup>Adjective</sup> gesture and, in a sense, a celebration of \_\_\_\_\_<sup>concept</sup>. Good for \_\_\_\_\_<sup>Person</sup>!
