Harry Potter Year One

Remember when you looked across the great hall and saw _____, the most stunning person you'd ever seen. Or on Halloween when _____ spilled Polyjuice potion all over you, but it led to an incredible friendship. My favorite part was when _____ tried to hex you but ended up hexing themselves. Remember that time when _____ and _____ had a prank war that took over the whole school. Who would've guessed it would end with _____ hanging from the Quidditch hoops. Next year will be great now that _____ is in Azkaban and _____ is headteacher. Oh and _____ is taking you on a date.
