# Carnival Day

One day while passing the bulletin board, John and Jane noticed a sign that read "Come to the AMH Carnival \_\_\_\_\_ Noun on May 25th!" John and Jane were so \_\_\_\_\_ Adjective, they could hardly sleep that night. The next day at work, John and Jane met all their co-workers in the break room to plan their day at the carnival. "I want to \_\_\_\_\_ Verb Base Form all the \_\_\_\_\_ Noun," John said. "Well, I want to \_\_\_\_\_ Verb Base Form some fair food," said Jane. Tommy was most excited to play the ring \_\_\_\_\_ Verb Base Form game. Sally said she simply must \_\_\_\_\_ Noun the cotton \_\_\_\_\_ Food.

The day of the carnival arrived, and EVERYONE showed up for the fun! John immediately spotted the dunk tank and got in line. He was known for his \_\_\_\_\_ Adjective aim, so he knew he wouldn't have a problem throwing the \_\_\_\_\_ Location at the target. Jane ran straight towards the fortune teller booth. She wanted to see the crystal \_\_\_\_\_ Noun and have her fortune read. Tommy was \_\_\_\_\_ Adjective, so his first stop was the \_\_\_\_\_ Food booth. He was so hungry, he bought \_\_\_\_\_ Number funnel cakes and two \_\_\_\_\_ Noun. Sally spotted the giant stuffed \_\_\_\_\_ Animal. She knew she needed more tickets, so she headed to the skills booths to earn some more.

By the end of the day, everyone was \_\_\_\_\_ Adjective. They each had their \_\_\_\_\_ Part of Body full of prizes, food and candy. "I learned so much at the skills booths today," said Jane. "My favorite was probably the Lab Collection and Specimen Labeling." "The Restraint Booth was pretty cool too," said Tommy. "I won some fun

said Sally.
