only Challenge that I dared to try. The first clip was a _____ man, playing a _____ with
only his _____. That one wasn't that _____ to me. The second clip though, that one had
me _____! A woman dipped her whole head in a _____ of _____, then, threw
some _____ into her hair and blurted out, "Ain't nobody a better _____ than me, I got more
_____ than you could handle Bruh!"

I lost _____ after seeing that.

_____ to sit down and give it a try. She prepared her _____ for the torture by quickly
rinsing it with _____. She put on her protective _____, and took her first bite. She ate
nearly

_____ of it before she had to stop to _____). Her eyes were _____ and full of _____, but she continued and finished the whole thing with _____ second left!

#3. The Archery Challenge. This one saw _____ lined up along a _____, where they all competed to be the first to shoot five _____ with their bow and _____ plural _____. They were astoundingly _____. One man, who was nicknamed, "The _____," was about to win the contest. On his last shot though, his _____ moved five _____ to the left, and accidentally punctured a _____ float. A guy named _____ took the win.

#4. Whats behind the _____ Challenge. This one had a big _____ covering an object. You get to _____ every prize that you can _____ guess. The person trying to guess was none other than _____! I stood slightly behind the _____, so I could clearly see what was being guessed. Section number one had a _____ washer. Section number two was a _____ . Section number three was a _____. And the last section was tickets to see, " _____ ": the musical. _____ lost on the first guess when she incorrectly guessed, " _____," for the _____ -washer. _____ is apparently very _____.

#5. The Balance Challenge. Competitors must balance _____ on a long _____,

all while their Body parts are tied behind their back. To make things even more Adjective, the judges were going to give out Number dollar to anyone who could make it the distance of a whole Sport field without failing. Adverb, the contest didn't go on very long, as a Occupation slipped on a smashed Food in the grass and broke his Body part.

I can't wait to see what kind of Adjective, Adjective competitions they think up next year!
