Haunted Investigation

My friend and I decided to investigate a Adjective haunted house long since abandoned for over Number years after its former occupants reported some Adjective occurrences. My friend and I entered the house through the first floor Room in house and when I stood up and looked in the mirror I noticed a Adjective apparition. In layman's terms, I saw a Adjective ghost. I followed it into the Room in house where I saw it walk through Noun Plural. When i said Question! It vanished into Adjective air. Then my friend reported a Verb Present ends in ING chair that he claims started Repeat Last Verb Present ends in ING back and forth. Adverb! A disembodied voice said "you must Verb Base Form! At that instant the front door Verb Past Tense open and out we Verb Past Tense .
