## **Pride and Prejudice 2**

| "Miss Bennet," replied her Ladyship, in an tone, "you ought to know that I am not to be                 |
|---|
| with. But however insincere you may to be, you shall not find me so                                     |
| . My has ever been celebrated for its and and ; and in a cause of                                       |
| such moment as this, I shall certainly not verb Base Form from it. A of a most                          |
| nature reached me days ago. I was told, that not only your was  |
| on the point of being most married, but that youthat Miss Elizabeth Bennet would, in all                |
| likelihood, be soon afterwards united to my my own, Mr. Darcy. Though I know it                         |
| must be a scandalous, though I would not him so much as to suppose the                                  |
| truth of it possible, I instantly resolved on setting off for this place, that I might make my          |
| known to you."  |
| "If you believed it impossible to be true," said Elizabeth, colouring with astonishment and disdain, "I |
| you took the trouble of coming so far. What could your Ladyship propose by it?"                         |
| "At once to insist upon having such a universally contradicted."  |
| "Your coming to, to see me and my family," said Elizabeth coolly, "will be rather a                     |
| confirmation of itif, indeed, such a Noun is in existence."   |
