Night

'Twas the Event before Christmas, when all through the Location

Not a Animal was stirring, not even a Animal;

The Noun were hung by the chimney with care,

In hopes that . First Name of a Person soon would be there;

The children were Verb Past Tense all snug in their beds;

While visions of Noun danced in their heads;

And First Name of a Person in her 'kerchief, and First Name of a Person in a cap,

Had just settled our Part of Body for a long winter's nap,

When out on the Location there arose such a clatter,

I sprang from my Noun to Verb Base Form what was the matter.
