Part 1- Frankenstein x lululemon retail strategy

It was a afternoon at the SSC when Dr. Leighton, also known as Frankenstein, sent a Zoom
link to the team for a truly Adjective strategy session. The prake meeting room room was filled with
the scent of Noun and faint echoes of Noun . The team members who dialed in on Zoom were
Adjective as they waited for the room to join and connect to Noun.
"Team," Dr. Leighton began, with a look of in her eyes, "Does anyone have
anything to clear? If so, put it in the Today, we are not just creating the magic of one store 500
times. No, we are bringing something to life!" The team verb Past Tense nervously,
unsure if this was about store operations or something far more monstrous.
