How to play Frogger

First, get in a _____^{Noun} with your friends and choose 1 person to go out into a different room so everyone else in the circle and the "detective" can't see each other. 1 other person _____^{Adverb} _____^{Verb} out and not play the game. Then, everyone else will put their heads down and _____^{Adverb} _____^{Verb}. Next, the _____^{Adjective} person left out will pick somebody to be the "frog". Then, everyone else will lift their _____^{Noun} up and the detective will come into the room and get in the middle of the circle. They will look at everyone, while the people in the circle will look around to trying to find the _____^{Animal}. If you look at the frog and they look at you too, they'll stick their tongue out at you and then you become a _____^{Adjective} fly. When you're a dead fly, you're out of the game. The point is the _____^{Animal} tries to stick their tongue out at everybody so everyone becomes a dead fly. The detective is trying to find the frog in the circle.
