A real scary story

One day a long time ago this little girl named <u>First name</u> had just broken her favourite <u>Noun</u>. She was <u>Verb ending in ing</u> for days until finally her mother took her to this <u>Adjective</u> warehouse so she could get a new one.

When they got there they saw all <u>______</u>all over the walls and no one was there. They thought it was just a <u>______</u>so they went in and saw all the toys but the little girl wanted this special type of toy. She wanted something different, something that she's afraid of. She wanted a <u>______</u>.

They were <u>Verb ending in ing</u> around the warehouse and still no one was there. The mom then thought that something was wrong, so she wanted to get out of there as fast as she could. The mother told <u>Same first</u> to just get that one. She turned it around and it happened to be a <u>Noun</u> and it was waving 6 fingers. They got that one. Left the money on the counter and went home.

The mother was making Amy some <u>Vegetable</u> soup for dinner while <u>Same first name</u> was laying down looking at her <u>Noun</u>. Then for a minute Amy could have sworn she saw the clown's eyes turn <u>Color</u> and its fingers started waving the number 7.
